

MEMBERSHIP APPLICATION INSTRUCTIONS

Below you will find specific guidelines to ensure your membership application is complete. Please read through the instructions thoroughly. An incomplete form will not be processed.

All forms are available on-line at www.mosportkartways.com. Please see the dedicated Kart Club page.

The 2017 Membership/license Application consists of three pages. The Application page and the Agreement of Release must be printed on both sides of one sheet of paper and the Driver's and Parents Pledge must accompany that sheet.

Choose the appropriate fee for the driver to be registered based on the date that the application is submitted. The membership fee is per driver. There is an **"early bird special"** if you register and payment is received prior to March 1, 2017. No exceptions.

Make sure to fill in all of the information required to process your application correctly. Please print clearly and ensure accuracy. Be sure to sign and date where indicated.

All drivers under the full age of eighteen require an Associate Member as their guardian. Only registered drivers and associate members will be permitted in the grid area.

Please enter only **one** driver per application form. Use a separate application for each driver in your family. Complete **all** information lines. It is important to complete the driver section completely and accurately. In the event that your address changes, please notify the Membership Registrar immediately.

Please include an e-mail address if available. E-mail provides a fast and economical way for the club to get **important** information to our members on short notice.

Calculate the total fees and circle all purchases. Make all cheques payable to: **MOSPORT KARTWAYS** and mail to the address indicated on the form.

PLEASE NOTE: All persons named on the application form MUST sign.

- Applicants MUST submit a completed "ASN Medical Self-Declaration Form".
- Each driver under 18 years of age must submit a completed "ASN Annual Parental Consent form".
- All Adult drivers must submit an "ASN Canada FIA Annual General Waiver".

Membership Applications will not be processed unless all requirements above are met.
